Enhancements

- The event can start with a warm up session from our Mr motivator
- Enhance the competitive element by providing 'jokers' for each team. By using their joker teams can double their score in a zone
- Branded and coloured t-shirts or baseball caps to differentiate teams
- A tuck shop supplying sweets and drinks
- We can supply a professional photographer or a videographer to capture the day
- To keep any non-participating supporters busy between events, we can supply a variety of side-stalls - from a coconut shy to hook-a-duck, splat-the-rat or tin can alley

Timing and Logistics

- Carry the theme into the evening with a 'School Days' disco
- Medals and trophies for a prize giving ceremony
- Branded fun money decorated with your company logo, or the smiling face of your managing director
- Disposable cameras for each team to take actions shots with
- Other 'lesson zones' can be added as mental challenges - from Geography to Maths, Cookery and English
- A 'one team outcome' produced in the Art class zone: Teams conclude the day by recreating a given image onto two squares of canvas, which in turn create a small part of a bigger picture (decided by you). This can then be mounted and taken back to your offices as a lasting memento of the day
